

Hostel Anti Ragging Vigilance Duties

Circular

Date: 23.09.25

N0 2294/IGMCRI/Acti-ragging/Physio/2025-26/6503 /3822

The following faculty members are advised to visit the respective hostels for vigilance duty in the form of a surprise visit anytime from 5 pm on the day mentioned against them till 8 am of next day. The faculty concerned has to direct the fresh I year MBBS students to assemble in the guest room and enquire for any incidence of ragging. Ragging incidence if any has to be reported immediately to the Chief Warden/Dean/ Director.

There shall be a register kept in the hostel mentioned as “Anti-ragging Duty Roster for Faculty” at “A” Block security desk in case of Boy’s hostel and in “B” block security desk in case of Girl’s hostel, in which the faculty should sign on the day of visit with a mention of the time. The concerned HODs of the faculty are requested to ensure that the posted faculty attends the duty without fail. Since ragging is considered a serious offence, all concerned are advised to strictly ensure the directives and cooperate so that there is zero incidence of ragging in IGMCRI.
