1. INTRODUCTION

Indira Gandhi Medical College & Research Institute established by the Government of Puducherry is functioning under the Perunthalaivar Kamaraj Medical College Society and is administered by a duly constituted Governing Body headed by the Honourable Chief Minister as the Chairman.

Situated at the heart of the city, our Institute spans an expansive 38.17 acres, offering a distinguished environment for academic excellence and holistic development.

The Institute provides comprehensive education in MBBS, MD, and MS courses, accommodating a total of 180 undergraduate and postgraduate students across various faculties.

State-of-the-Art Infrastructure: Our college building features five air-conditioned lecture halls, each equipped with advanced audio-visual aids. We have a modern central library boasting 12,000 basic and reference books, complemented by extensive e-library facilities. Additionally, each department is equipped with its specialized library.

Hands-On Learning: Facilitating interactive learning, demo rooms are strategically placed within both the college and hospital blocks for small group discussions and clinical sessions. Our pre- and para-clinical departments are equipped with state-of-the-art laboratories, ensuring practical sessions are conducted seamlessly.

We offer three fully air-conditioned indoor auditoriums, ideal for academic sessions, CMEs, and conferences, as well as an open-air theatre for various cultural and educational events.

Recognizing the importance of physical fitness, we provide expansive playgrounds and courts for both indoor and outdoor games, fostering a balanced student life.

Join us at our Institute, where academic excellence meets comprehensive infrastructure, preparing future medical professionals for global challenges.

2. MBBS COURSE & SEAT DISTRIBUTION

Course: The Institute offers an Undergraduate MBBS course.

Course duration: 4½ years and 1 year Compulsory Rotating Medical Internship.

MBBS	Seat Distribution	Counselling Authority
Government Quota (UT of Puducherry)	131	CENTAC, Government of Puducherry
All India Quota (15%)	27	MCC, Ministry of Health & Family Welfare, Government of India
NRI / NRI Sponsored	22	CENTAC, Government of Puducherry
Total seats	180	

Eligibility: Minimum of 17 years as on 31.12.2026. No upper age limit.

For further details, candidates should refer to the MCC and CENTAC websites and the applicable admission notifications for the academic year 2026–2027.

3. ADMISSION PROCESS

Indira Gandhi Medical College and Research Institute, Puducherry is offering the MBBS degree course for the Academic Year 2026–2027.

Admissions to the 15% All India Quota seats in MBBS for the academic year 2026–2027 will be made through the Medical Counselling Committee (MCC) of the Directorate General of Health Services (DGHS), Ministry of Health and Family Welfare, Government of India, on the basis of the applicable NEET UG 2026 ranking and counselling process.

Admissions to the Government Quota seats (UT of Puducherry) and NRI / NRI Sponsored seats will be done through CENTAC counselling. CENTAC is the Centralized Admission Committee constituted by the Government of Puducherry for facilitating admissions to various professional courses in the UT of Puducherry. Candidates should apply online through the CENTAC admission portal.

The selection of candidates is based on the applicable NEET UG 2026 ranking and the admission and reservation policies prescribed by the competent authorities.

After obtaining the Provisional Allotment Order from MCC or CENTAC, the candidate should report at IGMCR&RI for admission on or before the date specified in the allotment order.

Important: Admission dates, counselling rounds, reservation provisions and procedural requirements shall be governed by the official 2026–2027 notifications issued by MCC, CENTAC, NMC and other competent authorities.

4. FEE STRUCTURE – GOVERNMENT QUOTA SEATS

Fee Component	Amount

11. FACILITIES AVAILABLE IN THE CAMPUS – LIBRARY

Central Library

Located in a five-floor block spanning a total area of 2400 square meters per floor, the Central Library serves as a cornerstone of academic resources at our Institute. Operating from 08:00 AM to 10:00 PM, it is staffed by a dedicated team of 14 professionals committed to supporting the academic pursuits of our students and faculty.

The library houses an extensive collection of approximately 12,000 books covering various disciplines in medicine, catering to the needs of both undergraduate and postgraduate students. In addition to its physical collection, the Central Library boasts an E-library featuring a diverse array of e-books, e-databases, and e-journals, facilitating convenient access to digital e-sources for research and study.

To further enhance scholarly endeavours, the Institute subscribes to a range of scientific journals and magazines in hard-copy format, fostering continuous research and scientific advancement among our academic community.

With an average daily footfall of approximately 100 individuals, the Central Library serves as a bustling hub for learning and research, providing a conducive environment for academic growth and exploration.

12. FACILITIES AVAILABLE IN THE CAMPUS – SPORTS & EXTRA-CURRICULAR ACTIVITIES

Our campus is dedicated to promoting sports and extra-curricular activities, offering a range of facilities:

- Open-air theatre for cultural and performing arts events.
- Indoor stadium for indoor sports activities and events.
- Football and cricket stadium for outdoor sports competitions and practice.
- Athletics field equipped for track and field events.
- Volleyball and basketball courts for team sports and recreational play.
- Gymnasium furnished with equipment for fitness enthusiasts.

These facilities are designed to support a vibrant campus life, encouraging students to engage in physical fitness, team sports, and various cultural activities, thereby fostering holistic development alongside academic excellence.

13. FACILITIES AVAILABLE IN THE CAMPUS – HOSTEL & STUDENT WELLNESS CENTRE

Hostel Facilities

Our campus offers comprehensive hostel facilities designed to ensure a safe and secure living environment for our students. Separate accommodations are provided for male and female students across four distinct blocks, each equipped with 104 rooms.

In addition to comfortable living spaces, the hostel facilities include mess facilities to cater to the dietary needs of our residents. This setup is intended to foster a supportive and conducive atmosphere where students can focus on their academic pursuits while enjoying a sense of community within the campus environment.

These accommodations are meticulously maintained to uphold high standards of cleanliness, security, and student well-being, ensuring an enriching experience throughout their stay at the Institute.

STUDENT WELLNESS CENTRE

At IGMCR&RI, we prioritize the mental and psychological well-being of our students through the dedicated Student Wellness Centre. This facility offers essential support to ensure students' mental soundness and overall psychological health.

Operated by a qualified psychologist, the Centre provides confidential psychological support to students who require it. This includes counselling and therapy sessions tailored to address various challenges and issues students may face during their academic journey.

14. STUDENT LIFE – WELLNESS, ANTI-RAGGING & CANTEEN

In addition to psychological support, the Student Wellness Centre conducts comprehensive career and personality development programmes. These initiatives are designed to equip students with essential skills, enhance their personal growth, and prepare them for future professional endeavours.

The Student Wellness Centre stands as a testament to our commitment to nurturing the holistic well-being of our students, promoting a supportive and conducive environment for their academic and personal success.

Anti-Ragging Policy

At IGMCR&RI, we maintain a zero-tolerance policy towards ragging. The Anti-Ragging Committee of our Institute diligently oversees and ensures a ragging-free environment for all students.

Upon admission, both students and their parents are required to sign an affidavit committing not to engage in any form of ragging. This underscores our firm commitment to fostering a safe and respectful campus community.

To enforce this policy, faculty members are assigned rotational duties beyond office hours to monitor hostels and other areas within the college premises. This proactive measure helps in preventing any incidents of ragging.

The administration strictly adheres to Indian penal laws and imposes severe penalties on those found guilty of ragging. We emphasize the importance of maintaining a supportive and harassment-free environment where every student can thrive academically and socially.

We have a refreshment facility within our campus.

15. STUDENT LIFE – MENTORSHIP & STUDENT ASSOCIATION

Mentorship Programme

The administration at our Institute places strong emphasis on mentorship as a cornerstone of student development. This programme is designed to foster a supportive environment where each student can thrive academically and personally.

Through the mentorship programme, faculty members act as mentors, establishing a nurturing bond with their mentees. Mentors serve as the first point of contact for students, offering guidance and support to address both personal and academic challenges effectively.

Regular mentor–mentee meetings are organized on Saturdays to facilitate constructive discussions and progress monitoring. Detailed records of these meetings are maintained to track student progress and ensure continuity of support. The mentorship programme provides a framework that promotes individual growth, academic success, and overall well-being within our Institute community.

Student Association – SIGMA

Student Life at IGMCR&RI is enriched by SIGMA, the Students' Association, which serves as the official voice and representative body of our student community. SIGMA plays a vital role in addressing student concerns, fostering collaboration between students and faculty, and organizing a range of annual events that promote academic excellence, cultural expression, and intercollegiate connections.

Highlights include STRIATUM, our Annual Academic UG Conference, and Adwaita, our Annual Cultural Fest. Through these initiatives, SIGMA contributes to a dynamic and supportive campus environment, enhancing the overall student experience.

16. STUDENT CODE OF CONDUCT

1. Behavioral Guidelines: Students are required to refrain from smoking, consuming alcohol, or using any intoxicating substances on or off campus.
2. Conduct Responsibility: Students are accountable to the Head of the Institute for their behavior. Engaging in activities that disrupt the college's disciplinary standards or its normal operations, whether on or off campus, is strictly prohibited.
3. Disciplinary Measures: Violation of disciplinary rules may result in disciplinary action, including warnings, fines, suspension from classes or examinations, or expulsion from the college or hostel.
4. Anti-Ragging Policy: Ragging in any form is strictly prohibited within college premises or elsewhere. Any instance of ragging, whether individual or collective, will be treated as a serious breach of discipline and dealt with accordingly.
5. Penalty for Misconduct: In cases of disciplinary infractions, students may be subject to fines determined by the Head of the Institute.
6. These guidelines are essential to maintaining a respectful and conducive learning environment for all members of the college community.
